## Work Experience

**SOFTWARE DEVELOPER (INTERNSHIP), DIVE NETWORKS**, TORONTO, ON – SEPT - DEC 2016

- Contributed to several new widgets expanding software features released to customers (ClojureScript/Python).
- Developed product UI/UX designs used in released product (Adobe Illustrator/CSS).
- Improved functionality of a Content Management System running a PostgreSQL database.

**CO-DESIGNER & LEAD DEVELOPER, FORK IN THE ROAD**, TORONTO, ON – JULY - AUG 2016

- Fork In The Road ([fitr.earth](http://fitr.earth)) is a mobile first website allowing users to search for farms in the Grand Bend area based on fresh produce they're interested in (HTML5, JavaScript, CSS, AngularJS).

**SUMMER RESEARCH ASSISTANT, WILFRID LAURIER UNIVERSITY**, WATERLOO, ON – MAY - SEPT 2015

- Lead designer and developer of Wordpress enabled websites used to display information regarding a research project as well as a conference presented by the Geography department at Wilfrid Laurier University.

**CHAIR OF OPERATIONS, WLU PHI CLUB** – 2015 - 2016

- Performed several duties including event planning, meeting minutes and exam reviews.

## Education

Wilfrid Laurier University, Waterloo, Ontario – Honours Computer Science (BSc)

## Projects

- Feedback - Cross platform, web based, mobile app allowing businesses to obtain anonymous customer or employee feedback ([feedbackapp.io](http://feedbackapp.io)).
- Grim Jim - 2D mobile game available on the Play Store. It features Jim a lumber jack in a rather grim situation. Swipe to avoid branches as Jim climbs an infinitely tall tree and stay out of reach of the hungry Grizzly bear.

## Qualifications

- Experience using ClojureScript, Django, PostgreSQL, Java, Python, HTML5, JavaScript, CSS3, C, Git, Bootstrap, JQuery, AngularJS, x86 assembly, VHDL, Visual Basic, Apache Cordova with Ionic Framework.

## Volunteering

- WWF CN Tower climb • Habitat for Humanity Guelph • Guelph Soccer Club.
